

# 2026 FINGER LAKES AREA TRAP LEAGUE

## NEW THIS YEAR – TEAM RANKING WILL USE A POINT SYSTEM

How it works...

Each week the top five scores for each club are summed and ranked from top to bottom. The first-place team receives 9 points, the second-place team receives 8 points, through the last place team, which receives one point. Ties will divide. The league standings are calculated by totaling team points for each week.

Weekly Example:

<b>TEAM</b>	<b>Top 5 Total</b>	<b>Points</b>
Millport	248	9.0
Dryden	242	8.0
Corning	241	7.0
Lansing	240	5.5
Interlaken	240	5.5
Sullivan Trail	238	4.0
Seneca	235	3.0
Trumansburg	233	2.0
Newfield	231	1.0

Note: The individual league high gun and category trophies will be determined by total target count as normal.
